REITOR BULLETIE. - Please manuace me en in dependent candidate for a legislater in the lower flours of the General Assembly of the State As men in the days of honest government had to announce their principles or hobby, as well as themselves, and appear before their constituents and defend them before they could get office, I believe they should do so now, and will say to the voters of Jackson, Union, and Alexander counties, without awaiting the decision of my man or party, I am for Horace Greeley for Presi-dent, and B. Grats Brown for Vice President and endorse the Ciucinnati platform. I am for a free scrub race and against the primary system of electing men to office. I am against the procklaw in this county and for the repeal of the Ohio liquor law. | I am for the abolishment of the grand jury to its lowest constitutional limits, and the revision of the traverse jury so that intelligent men shall not be disqualified to sit on it in cases of felony.
